International course "Principles and quality assurance of medical ultrasound equipment", 18th. and 19th. January 2016, Radboud University Medical Center Nijmegen.

Startdatum:

woensdag 18 januari 2017 15:45

Einddatum:

donderdag 19 januari 2017 15:45

Locatie:

Radboud University Medical Center

Dear user of the QA4US quality software, medical physicists (in training) and medical physics employees,

On the 18th and 19th of January we plan to organize the first international course "**Principles and quality assurance of medical ultrasound equipment**" at the Radboud university medical center.

This course is initially intended for the users of the QA4US quality software, medical physicists (in training) and medical physics employees.

Enclosed please find the program.

Since we only have limited places available I would advise you to register as soon as possible by sending an email to: Sonja.vandeven-smits@radboudumc.nl^[1].

The location is: Radboud university medical center, Geert Grooteplein 10, 6525 GA Nijmegen.

If you have further questions please let me know.

Kind regards,

Mrs. Sonja van de Ven-Smits

Secretary - MUSIC - Radiology and Nuclear medicine
