

Radiotherapy & Imaging Courses 2025/26

The Division of Radiotherapy and Imaging includes the prestigious Cancer Research UK Cancer Imaging Centre, and overlaps with the Joint Department of Physics, which spans The Institute of Cancer Research, London, and The Royal Marsden NHS Foundation Trust.

The Division is pleased to offer a number of related short courses, taking place throughout the year, to internal and external audiences.

Our courses are intended to be useful for **medical physicists** in training and postgraduate students, as well as more experienced professionals seeking to refresh or expand their knowledge in key areas. Courses would also be of interest to radiographers and other experts in the field.
